Peace and unity.

O God of creation,
Direct our noble course,

Help our youth the truth to know

My name is Chukwudi Anunagba. I attended Atlantic Hall, and I am currently at the university of North Texas in the United States. My time in Atlantic Hall was really good. I had a lot of good memories there. I am always proud to say I attended such a reputable school. The sports coaches there are very Amazing. They gave me a good foundation in sports which has helped me in accomplishing some of my goals in sports.

My journey at my University has been very good. I have hit so many achievements that I didn't expect. One thing I will tell everyone is to always believe in themselves and be determined in whatever they do. There is this saying that I always parade: "Hard work beats talent". As of today, I have recorded a personal best of 10.18 in the 100m and 20.80 in the 200m, but my job is not done. My season just started here and I am expecting bigger and better things.

My journey in Atlantic Hall began September 2012. I always loved track and field; I wasn't the best when I newly entered Atlantic Hall. In year 7, I had a hard time trying to join the school athletics team. I wasn't fast enough and I was too weak to run the 100m and 200m, so I never made the school team in Year 7. From JSS3 onwards, I started winning gold medals in 100m & 200m. I was so proud of myself.

Atlantic Hall gave me the privilege to discover my talent and improve on it. To all the young athletes aspiring to be the best, you have to be **DEDICATED, HARDWORKING, RESPECTFUL**, and not discarding **PRAYERS**.

Atlantic Hall has really built me. A school that produced Seye Ogunlewe a 1x African Champion, 1 x All African Games Silver medalist, 1 x Commonwealth Games Bronze medalist and 3 x National champion. I also wish to gain that title. You all should keep your heads high and believe in yourself and God, trust me you'll get to where you dream of getting to. My sincere appreciation goes to Mr. Amole, Garnet House Patron for his unrelenting support. Up Garnet!!!

In 2017 summer, we participated in the California State Games. We went through rigorous training to prepare us mentally and physically. We arrived San Diego three days to the competition and I was so nervous. The coaches pushed us to stay focus and confident. On the

day of the competition, my first event was 100m heat. It was quite tough for me but I came first with a time of 10.99. I sustained an injury during the course of training but that couldn't stop me in the finals. The next day was the 100m final. We warmed up and I told myself you are ready. The race was done. ANUNAGBA KARLINGTON CHUKWUDI came first with a time of 10.70. I could not believe. We all gave God the glory because without Him we can't make constant progress. After the competition, I was ready to take on anyone.
